

# Certificate of Safety

for Foodstuffs in Combination with Kesseböhmer Products

Company Kesseböhmer GmbH  
located in Mindener Strasse 208, D-49152 Bad Essen, Germany,  
hereby confirms

that in various tests,  
executed by the independent LGA testing institute,

it was proven  
that all materials used for production and for finishing  
do not not have any negative effect on the safeness of any foodstuff  
and can therefore be considered as safe  
in every respect to human health.
